Professional accreditation

USQ is a global Registered Education Provider (R.E.P.) accredited by the US-based Project Management Institute (PMI)®, which is the largest professional body for project managers in the world with over 450,000 members. USQ's status as an R.E.P. ensures the currency, quality and global recognition of the project management programs and courses offered by USQ both on-campus and online. Completion of project management courses and programs at USQ earns professional development units (PDUs) as evidence of professional development and credit towards PMI's Continuing Certification Requirements (CCR) program. Details can be obtained at the [Project Management Institute](#)

PMI and Project Management Professional (PMP) are registered marks of the Project Management Institute, Inc.

The Graduate Certificate of Business (Project Management) is endorsed by the [Australian Institute of Project Management](#) (AIPM).

Program aims

The aim of the Graduate Certificate of Business is to enable students to undertake postgraduate study across a range of disciplines to meet their specific work-place needs or to study a discipline specialisation to either provide advanced work-place knowledge and skills or to lay a platform for further study in the [Master of](#)

[Business Administration](#) ., [Master of Business and Innovation](#), [Master of Information Systems](#), [Master of Professional Accounting](#) or [Master of Project Management](#).

The selection of the courses or discipline specialisation chosen will be influenced by the demands of the work environment and the interests of the student. The entry requirements of articulating programs should be considered when choosing courses.

Students who have completed the Graduate Certificate of Business are not eligible to enter the [Master of Business Administration](#) . or [Master of Project Management](#) until they satisfy the required minimum of two years' full-time relevant professional work experience in business.

Program objectives

On successful completion of the Graduate Certificate of Business graduates should be able to:

- understand the concepts, theories and skills associated with a particular selected discipline area or areas related to business
- apply acquired knowledge associated with their studies to their work environments
- synthesise selected areas of managerial knowledge to produce meaningful assignments/reports
- articulate both written and orally, the principles, theories, concepts and applications associated with their area of study
- display a range of competencies in their selected discipline/s area
- demonstrate advanced knowledge and skills for professional/highly skilled work and/or further learning.

Australian Qualifications Framework

The Australian Qualifications Framework (AQF) is a single national, comprehensive system of qualifications offered by higher education institutions (including universities), vocational education and training institutions and secondary schools. Each AQF qualification has a set of descriptors which define the type and complexity of knowledge, skills and application of knowledge and skills that a graduate who has been awarded that qualification has attained, and the typical volume of learning associated with that qualification type.

This program is at AQF Qualification Level 08. Graduates at this level will have advanced knowledge and skills for professional or highly skilled work and/or further learning.

The full set of levels criteria and qualification type descriptors can be found by visiting www.aqf.edu.au.

Admission requirements

To be eligible for admission, applicants must satisfy the following requirements:

- Completion of an Australian university Bachelor degree in any area, or equivalent.
or
A minimum of five years' professional work experience equivalent to a qualification at AQF Level 7.
- English Language Proficiency requirements for Category 3.

All students are required to satisfy the applicable [English language requirements](#).

If students do not meet the English language requirements they may apply to study a University-approved [English language program](#). On successful completion of the English language program, students may be admitted to an award program.

Program fees

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. Students are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Domestic full fee paying students may be eligible to defer their fees through a Government loan called **FEE-HELP** provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for **FEE-Help**.

International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. Students are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Program structure

The Graduate Certificate of Business is comprised of four units of postgraduate courses as follows:

- Business Administration specialisation
- NDIS Studies specialisation
- General specialisation
- Named specialisation

Required time limits

Students have a maximum of 2 years to complete this program.

Business Administration specialisation

The Business Administration specialisation is recommended for students who want to articulate into the [Master of Business Administration](#) ..

General specialisation

To discuss which courses to study within the General specialisation, please [contact USQ](#). All course pre-requisites must be met, and all courses chosen are subject to the approval of the Program Coordinator.

Students can choose any four courses from the [Master of Business Administration](#) ., [Master of Business and Innovation](#), [Master of Information Systems](#), [Master of Professional Accounting](#) and [Master of Project Management](#).

Students wanting to study a course/s from other programs across the University must seek approval from the Faculty of Business, Education, Law and Arts.

Named specialisation

Courses in some areas of study may have prerequisites.

Students can choose a named specialisation from the following programs:

[Master of Business Administration](#) .

- Business Leadership
- Digital Marketing Analytics
- Digital Transformation specialisation
- Finance specialisation
- General specialisation
- Global Business Management specialisation
- Project Management specialisation
- Strategic Human Resource Management specialisation
- Strategic Marketing specialisation
- Sustainable Business specialisation.

Please note: The Emergency and Disaster Communication specialisation is not available in the [Master of Business Administration](#) .

[Master of Business and Innovation](#)

- Big Data and Visualisation specialisation

- Crisis Management specialisation
- Digital Transformation specialisation
- Enterprise Leadership specialisation
- Finance specialisation
- General specialisation
- International Business specialisation
- Professional Communication specialisation
- Sustainable Business specialisation.

Master of Project Management

- Business Leadership
- Digital Marketing Analytics
- Emergency and Disaster Communication specialisation
- General specialisation
- Project Leadership specialisation
- Property Development and Management specialisation (*please note that this specialisation will be discontinued at the end of 2020)
- [Master of Business Administration](#) . specialisations (excluding Project Management)
- [Master of Business and Innovation](#) specialisations.

Students intending to gain entry to the [Master of Business Administration](#) . or [Master of Project Management](#) on completion of the Graduate Certificate of Business should choose 4 core courses from their intended program.

Students intending to gain entry to the [Master of Business and Innovation](#) on completion of the Graduate Certificate of Business should choose a 4-unit specialisation from the program.

Students who wish to articulate into the [Master of Business Administration](#) ., [Master of Business and Innovation](#), [Master of Information Systems](#), [Master of Professional Accounting](#) or [Master of Project Management](#) must meet the program admission requirements before applications for credit will be considered.

Students who wish to gain maximum credit for courses completed in the Graduate Certificate of Business upon entry to the [Master of Business Administration](#) . should consider the Business Administration specialisation.

Students who have completed the Graduate Certificate of Business and do not have a minimum of two years' full-time relevant professional work experience in business are not eligible to apply for entry to the [Master of Business Administration](#) . or [Master of Project Management](#) until they have satisfied this work experience entry requirement.

IT requirements

For information technology requirements please refer to the [minimum computing standards](#).

Other program requirements

Students must maintain good standing in this program. Please refer to the [Academic Standing, Progression and Exclusion Procedure](#).

Articulation

Upon successful completion of the Graduate Certificate of Business with a minimum GPA of 4.0, a student may articulate into the [Master of Business Administration](#) ., [Master of Business and Innovation](#) or [Master of Project Management](#) provided they meet other program entry requirements, including a minimum of two years' full-time relevant professional work experience in business for the [Master of Business Administration](#) . and the [Master of Project Management](#).

Students who complete the Graduate Certificate of Business and maintain satisfactory academic standing (GPA 3.5) but do not achieve a GPA of 4.0 can articulate into the [Graduate Diploma of Business](#). On successful

completion of the [Graduate Diploma of Business](#), students can articulate into the [Master of Business Administration](#)., [Master of Business and Innovation](#) or [Master of Project Management](#) provided they meet other program entry requirements.

Graduates of the NDIS Studies specialisation should seek specialist program advice.

There is no other articulation pathway from the Graduate Certificate of Business.

Exit points

There are no exit points from the Graduate Certificate of Business.

Credit

Credit may be granted on the basis of equivalent courses undertaken at postgraduate level. In order for credit to be granted, the claim must meet the following specific requirements:

- the course passed was taken at least at Masters or equivalent level
- the course was passed within 5 years prior to the application (courses up to 10 years old may be considered if evidence is provided that the applicant has been employed in that field)
- the course passed is equivalent in objectives, content and weightings to a course prescribed in the Graduate Certificate of Business, or alternatively, the course is suitable as an elective
- where the student has taken out an award from a recognised tertiary institution and is claiming credit on the basis of courses completed to meet the requirements of that program, the maximum credit on the basis of such courses shall be no greater than 2 courses for the Graduate Certificate of Business
- credit approved in this program will not automatically apply to other programs offered by the University of Southern Queensland.

Note: Where credit is granted, maximum and minimum duration will be adjusted in the same proportion as the credit, for example, where the maximum of 50 per cent credit is granted, maximum and minimum duration will be reduced by one-half.

Recommended enrolment pattern

Students are able to enrol in any offered mode of a course (on-campus, external or online), regardless of the program mode of study they enrolled in.

Course	Year of program and semester in which course is normally studied						Enrolment requirements
	On-campus (ONC)		External (EXT)		Online (ONL)		
	Year	Sem	Year	Sem	Year	Sem	
Specialisation course 1	1	1			1	1	
Specialisation course 2	1	1			1	1	
Specialisation course 3	1	1			1	2	
Specialisation course 4	1	1			1	2
